# MOVE FORWARD

## PROGRAM

We can leave things here in the house and we don't have to worry about it or try to make donations or do Facebook marketplace. We moved our date up and we're excited about that." - Edna S.

Her knowledge on downsizing and resources made the process easy. - Mary Ellen F.

She coordinated multiple repairs including HVAC, roofing, painting, and stayed in contact and was prompt in responding. She was awesome! - Renee L.

This was one of the smoothest experiences I have ever had and in a time where everything was very stressful and emotional. I felt 100% confident that I could "let go" of this entire process because I was in the most capable hands possible. She was always on top of everything and gave "Ritz Carlton" level of customer service. - Gordon T.
